

## QUALITY

Generated on 22-05-2012

Eurotech Aluminium Castings is of course ISO 9001:2000 certified. The environmental procedures have been certified according to ISO 14001.

There are four full-time quality staff. The quality policy involves as many employees as possible taking the responsibility themselves for the quality they deliver. The production processes are therefore arranged in such a way that quality is guaranteed.
